

Code: TWILIGHT-COMPACT/BLEBOX

# TWILIGHT SWITCH FOR LED LIGHTING **TWILIGHT-COMPACT/BLEBOX**

## 12 ... 24 V DC

Net: **15.60 EUR** Gross: **15.60 EUR**

The TWILIGHT-COMPACT/BLEBOX twilight sensor is used to turn the LED lighting on and off depending on the ambient light. The "soft start" function allows to mild lightening/darkening the lighting at dusk/dawn.

### SPECIFICATION

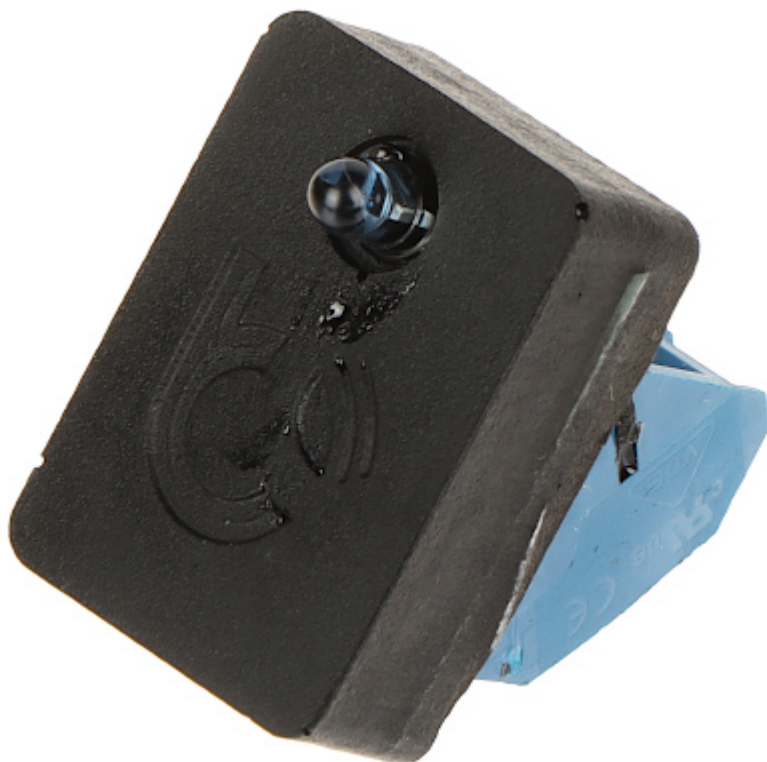

|                        |                                                                                                                                                                                                             |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application:           | Works with LED lighting - 12-24V LED strips                                                                                                                                                                 |
| Rated voltage:         | 12 ... 24 V DC                                                                                                                                                                                              |
| Maximal total load:    | 60 ... 120 W                                                                                                                                                                                                |
| Total maximal current: | 5 A                                                                                                                                                                                                         |
| Number of inputs:      | 0                                                                                                                                                                                                           |
| Number of outputs:     | 1                                                                                                                                                                                                           |
| Connector type:        | screw terminals                                                                                                                                                                                             |
| Wireless:              | —                                                                                                                                                                                                           |
| Mobile phones support: | —                                                                                                                                                                                                           |
| Main features:         | <ul style="list-style-type: none"><li>• High power - max. 120 W,</li><li>• Automatic calibration,</li><li>• Mild lightening at dusk,</li><li>• Mild darkening at dawn,</li><li>• Small dimensions</li></ul> |
| Housing:               | Self-extinguishing                                                                                                                                                                                          |
| "Index of Protection": | IP20                                                                                                                                                                                                        |
| Color:                 | Black                                                                                                                                                                                                       |
| Operation temp:        | -20 °C ... 50 °C                                                                                                                                                                                            |
