## IP CAMERA **BCS-L-EIP28FSR5-AI1(2)** - 8.3 Mpx 4K UHD 2.8 mm BCS Line

Net: **368.57 EUR** Gross: **368.57 EUR**

IP camera with efficient H.264 / H.265 image compression algorithm for clear and smooth video streaming at maximal resolution of 8.3 MPx, 4K UHD. Due to above it is perfect solution for surveillance systems requiring persons or vehicles recognition.

PoE powering possibility, compatible with the 802.3af standard makes the device more universal and easier to install.

Thanks to the "DarkView Starlight" technology used, the camera only needs very low lighting to obtain a clear color image.

### SPECIFICATION

|                           |                                                                                                                                                                                                                                                                                         |
