SWITCH SFP **EXPERT-SFP-1/2** 2-PORT

Net: **26.32 EUR** Gross: **26.32 EUR**

The use of devices with the possibility of replacing SFP modules is particularly advantageous due to the versatility, for example in the case of changing the network configuration instead of exchanging the whole device or adding new media converters, it is enough to choose the appropriate SFP module.

Attention! The SFP port requires the SFP module, which is available in our offer.
