

Code: PFS3009-8ET1GT-96

## SWITCH POE **PFS3009-8ET1GT-96** 8-PORT DAHUA

Net: **58.79 EUR** Gross: **58.79 EUR**

The device is perfect to build a network of IP cameras with power supply in the PoE 802.3af / 802.3at standard.

### SPECIFICATION

|                       |                                                                                                                                                                |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| LAN ports:            | <ul style="list-style-type: none"><li>• 1 x RJ45 10/100/1000 Base-T - Uplink,</li><li>• 8 x RJ45 10/100 Base-T ( 1 x Hi-PoE + 7 x PoE (802.3af/at) )</li></ul> |
| Management:           | —                                                                                                                                                              |
| LED diodes:           | Power, PoE, Link/Act                                                                                                                                           |
| Transmission speed:   | 10 / 100 / 1000 Mbps : 1 Port Uplink<br>10 / 100 Mbps : 8 LAN & PoE ports                                                                                      |
| Maximal total power:  | 96 W                                                                                                                                                           |
| MAC addresses table:  | 2k                                                                                                                                                             |
| Operation modes:      | <ul style="list-style-type: none"><li>• Extend On : 250 m, 10 Mbps @ UTP cat. 5e, 6</li><li>• Extend Off : 100 m, 100 Mbps @ UTP cat. 5e, 6</li></ul>          |
| Certificates:         | CE                                                                                                                                                             |
| Power supply:         | 53 V DC / 1.812 A (power adapter included)                                                                                                                     |
| Weight:               | 0.48 kg                                                                                                                                                        |
| Dimensions:           | 190 x 100 x 30 mm                                                                                                                                              |
