

Code: SK-40

## CAMERAS STABILIZER SK-40

Net: 15.69 USD Gross: 19.30 USD

The SK-40 cameras stabilizer is designed to powering the camera with or without a thermostat.

The SK-40 operates with the ZK-40/16 power supply adapter, which is designed to deliver ca. DC 40V voltage, which is then stabilized down to DC 12V voltage in the SK-40 device and enables powering the camera with or without a thermostat.

Presented here power supply solution, compensates the voltage drops on the cable and enables powering the cameras up to several hundred meters distance.

### SPECIFICATION

Adapter type:	Switching
Power voltage:	20 V ... 40 V DC
Output voltage:	12 V DC
Maximal load:	0.9 A
Support:	<ul style="list-style-type: none"><li>• with ZK-40/16 adapter</li><li>• with ZK-40/6 adapter</li></ul>
Application:	<ul style="list-style-type: none"><li>• to cameras powering</li><li>• to cameras with thermostat powering</li></ul>
Dimensions:	118 x 30 x 54 mm
Weight:	0.184 kg
Manufacturer / Brand:	DELTA
Guarantee:	<b>3 years</b>
