## CRIMP PLUG FME-W/ZAC.H-155

Net: 0.88 EUR Gross: 0.88 EUR

### SPECIFICATION

|                                   |                                                                                                                                                        |
|-----------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| Connector type:                   | FME Plug                                                                                                                                               |
| Attachment of connector elements: | Crimping                                                                                                                                               |
| Shield fastening:                 | Crimping                                                                                                                                               |
| Wire mounting:                    | Soldering                                                                                                                                              |
| Application:                      | Coaxial cable                                                                                                                                          |
| Cable diameter:                   | max. 6.1 mm                                                                                                                                            |
| Impedance:                        | 50 $\Omega$                                                                                                                                            |
| Material:                         | Metal                                                                                                                                                  |
| Example of application:           | <ul style="list-style-type: none"><li>• TRI-LAN/100</li><li>• H-155</li></ul>                                                                          |
| Main features:                    | <ul style="list-style-type: none"><li>• Wide frequency range</li><li>• Corrosion resistance</li><li>• To crimp use the crimping tool HT-301C</li></ul> |
| Weight:                           | 0.006 kg                                                                                                                                               |
| Guarantee:                        | 2 years                                                                                                                                                |
