

Code: KE-224-101/WAGO

## CONNECTOR STRIP **KE-224-101/WAGO**

Net: **0.22 EUR** Gross: **0.22 EUR**

The connector is intended for connecting the stranded wire to the wire.

### SPECIFICATION

|                           |                                                                                                                                           |
|---------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Number of terminal pairs: | 1                                                                                                                                         |
| Connector type:           | 2 x spring terminal                                                                                                                       |
| Wire gauge:               | <ul style="list-style-type: none"><li>• 1.0 ... 2.5 mm<sup>2</sup> - Wire,</li><li>• 0.5 ... 2.5 mm<sup>2</sup> - Stranded wire</li></ul> |
| Nominal voltage:          | 400 V                                                                                                                                     |
| Rated current:            | 24 A                                                                                                                                      |
| Color:                    | Gray                                                                                                                                      |
| Dimensions:               | 20.5 x 15.5 x 8 mm                                                                                                                        |
