## VIDEO DOORPHONE KIT **DS-KIS702Y** Hikvision

Net: **550.84 EUR** Gross: **550.84 EUR**

Two-wire HIKVISION video doorphone system with 7" touch monitor and controller equipped with 4 2-wire buses. Video Doorphone is mounted in a surface housing.

The device has the ability to work with the [Hik-Connect](#) application for mobile devices.

The attached DS-KAD704Y controller also enables the connection of the video doorphone system to the LAN network and via it to the Internet.

### SPECIFICATION

|                           |                                                                                                                                                                                                                                                                                                                                                                                                                  |
