

Code: KD-109

## POWER GENERATOR **KD-109** 800 W Kraft&Dele

Net: **126.17 EUR** Gross: **126.17 EUR**

A power generator with manual start is ideal for emergency power supply: home, office, camping, as well as boats and yachts.

The genset engine's rubber stabilizers and engine mounts dampen vibrations and minimize noise.

### SPECIFICATION

|                               |                                      |
|-------------------------------|--------------------------------------|
| Nominal power:                | 800 W                                |
| Output voltage:               | 230 V AC                             |
| Number of outlets:            | 1 pcs - single-phase                 |
| Built-in voltmeter:           | ✓                                    |
| Output frequency:             | 50 Hz                                |
| AVR voltage stabilization:    | —                                    |
| 12V DC output:                | ✓                                    |
| Engine power:                 | 2 HP                                 |
| Engine type:                  | 2 stroke, air cooled                 |
| Starting the engine:          | Manual                               |
| Noise level during operation: | 68 dB                                |
| Average fuel consumption:     | 0.4 l/h                              |
| Fuel tank capacity:           | 4 l                                  |
| Fuel gauge:                   | ✓                                    |
| Material:                     | Stainless steel + Aluminum + Plastic |
| Color:                        | Red + Black                          |
| Weight:                       | 15.5 kg                              |
| Dimensions:                   | 380 x 330 x 330 mm                   |
| Manufacturer / Brand:         | Kraft&Dele                           |

Air filter and damper:

The engine is started manually with a recoil starter:

Fuel filler:

The fuel cap has an oil level scale on the back:

In the kit:
