

Code: SSD-C900AN1000G

## SSD SSD-C900AN1000G 1 TB M.2 PCIe DAHUA

Net: 94.34 EUR Gross: 94.34 EUR

The Dahua SSD NVMe M2 drives of the C900A series are drives suitable for work in laptops, desktop computers and other devices, which, thanks to their parameters, guarantee acceleration of their operation. An additional advantage is the small size of the drive - M.2 2280 format.

The SSD-C900AN1000G is a disk equipped with 3D NAND Flash memory.

### SPECIFICATION

|                                  |                                                                                                                                                           |
|----------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Capacity:                        | 1 TB                                                                                                                                                      |
| Connector type:                  | M.2                                                                                                                                                       |
| Size:                            | 2280                                                                                                                                                      |
| Interface:                       | PCIe 3.0 x4, NVMe 1.3                                                                                                                                     |
| Write transfer rate:             | 1800 MB/s                                                                                                                                                 |
| Read speed:                      | 2500 MB/s                                                                                                                                                 |
| MTBF (Mean Time Between Faults): | 1 500 000 h                                                                                                                                               |
| TBW (Total Bytes Written):       | ≤ 400 TB                                                                                                                                                  |
| Technology:                      | <ul style="list-style-type: none"><li>• 3D NAND Flash Module</li><li>• S.M.A.R.T</li><li>• LDPC ECC</li><li>• TRIM</li><li>• Garbage Collection</li></ul> |
| Weight:                          | 0.006 kg                                                                                                                                                  |
| Dimensions:                      | 80 x 22 x 1.4 mm                                                                                                                                          |
| Manufacturer / Brand:            | DAHUA                                                                                                                                                     |
| Guarantee:                       | <b>3 years</b> (warranty limited by the TBW parameter)                                                                                                    |
