

Code: POWERPLAY-20S-WHITE-GC

# POWERBANK **POWERPLAY-20S-WHITE-GC** 20000 mAh 22.5 W Green Cell

Net: **29.13 EUR** Gross: **29.13 EUR**

Practical powerbank with a capacity of 20 000 mAh with Ultra Charge, USB-C PD 3.0 support. The product is equipped with a useful Pass Through Charging function, which allows to simultaneously charge the built-in battery and connected devices.

## SPECIFICATION

|                       |                                                                                                                                                                                                                                                                                                                                                           |
