### SPECIFICATION

|                                                         |                 |
|---------------------------------------------------------|-----------------|
| Number of inputs:                                       | 1 pcs           |
| Number of outputs:                                      | 2 pcs           |
| Frequency range:                                        | 5 ... 860 MHz   |
| Attenuation:                                            | 3.9 dB          |
| Possibility to pass the DC voltage to the preamplifier: | ✓               |
| Shielding:                                              | ✓               |
| Impedance:                                              | 75 $\Omega$     |
| Weight:                                                 | 0.03 kg         |
| Dimensions:                                             | 50 x 35 x 15 mm |
| Manufacturer / Brand:                                   | DELTA           |
| Guarantee:                                              | 3 years         |
