

Code: WIRE-CAM-15

INSPECTION CAMERA **WIRE-CAM-15** STANDARD: USB

Net: **43.89 EUR** Gross: **43.89 EUR**

USB camera with built-in white LED illuminator with power adjustment. Perfect to video inspection in hard to reach places, such as pipes, ventilation ducts, channels for cables, etc. Due to built-in 8 white LEDs with illumination power adjustment, it can be used at full darkness places. The camera and USB cable are hermetic.

Camera doesn't need any software to install. Just plug in it to the computer based on Windows XP/2003/Vista/7/10 systems and for a while you will see the image.
