

Code: TBM-70A

OPTICAL POWER METER **TBM-70A** TriBrer

Net: 89.52 EUR Gross: 89.52 EUR

WARNING! Avoid directing the laser beam towards the skin and eyes when using this product.

SPECIFICATION

|                          |                                                                                                                                                                                                                                                                                                    |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Sensor type:             | InGaAs                                                                                                                                                                                                                                                                                             |
| Optical wavelength:      | 850 nm / 1300 nm / 1310 nm / 1490 nm / 1550 nm / 1625 nm                                                                                                                                                                                                                                           |
| Power measurement range: | 6 ... -70 dBm                                                                                                                                                                                                                                                                                      |
| Accuracy:                | ± 5 %                                                                                                                                                                                                                                                                                              |
| Measuring accuracy:      | 0.01 dBm                                                                                                                                                                                                                                                                                           |
| Connector type:          | FC                                                                                                                                                                                                                                                                                                 |
| Main features:           | <ul style="list-style-type: none"><li>• High durability tool, made from high quality materials</li><li>• Automatic calibration after turned on</li><li>• Wide measuring range</li><li>• High measurement accuracy</li><li>• Small dimensions</li><li>• The set includes a practical case</li></ul> |
| Power supply:            | 2 x 1.5 V - Battery type LR6 (AA) (not included)                                                                                                                                                                                                                                                   |
| Weight:                  | 0.254 kg - Without batteries                                                                                                                                                                                                                                                                       |
| Dimensions:              | 40 x 85 x 187 mm                                                                                                                                                                                                                                                                                   |
| Manufacturer / Brand:    | TriBrer                                                                                                                                                                                                                                                                                            |
| Guarantee:               | 2 years                                                                                                                                                                                                                                                                                            |
