Code: MS-43

# AHD, HD-TVI, PAL MONITOR **MS-43** 4.3 "

Net: 100.46 EUR Gross: 100.46 EUR

Service color monitor is very helpful for CCTV system configuration. Due to small sizes it can be very quickly and easily connected to the camera or DVR for configuration their parameters.
The device is powered from battery or power supply adaptor. So, it is the perfect test tool for CCTV systems, as well as for other devices with AHD / HD-TVI / PAL output. An additional advantage is the possibility to power the connected devices with DC 12V and max. 800mA current consumption, and also the long operation time. Monitor is equipped with plastic housing.
