

Code: SA-204

## SIDE MAGNETIC CONTACT **SA-204** JABLOTRON

Price visible after login

The magnetic contacts can be used wherever required for controlling the status of doors, windows and/or other movable elements, e.g. for protection or monitoring of access to particular sites, spaces, facilities, in automatic control systems, etc.

The contact is designed for surface mounting.

### SPECIFICATION

|                                |                            |
|--------------------------------|----------------------------|
| Detection:                     | Opening the door or window |
| Maximum reed switched voltage: | 20 V                       |
| Maximal switched current:      | 20 mA                      |
| Make distance:                 | 32 mm                      |
| Break distance:                | 34 mm                      |
| Main features:                 | Metal housing              |
| Color:                         | Silver                     |
| Weight:                        | 0.055 kg                   |
| Dimensions:                    | 50 x 17 x 10 mm            |
| Manufacturer / Brand:          | JABLOTRON                  |
| Guarantee:                     | 2 years                    |
