

Code: 1/RZ/B/88-108/S

## DIRECTIONAL ANTENNA **1/RZ/B/88-108/S**

Net: **8.07 EUR** Gross: **8.07 EUR**

### SPECIFICATION

|                  |                                                                                                                  |
|------------------|------------------------------------------------------------------------------------------------------------------|
| Frequency range: | 88 ... 108 MHz                                                                                                   |
| Gain :           | 0 dB                                                                                                             |
| Polarization:    | Horizontal / Vertical                                                                                            |
| Impedance:       | 75 $\Omega$                                                                                                      |
| Main features:   | <ul style="list-style-type: none"><li>• Number of elements : 1</li><li>• Matching transformer included</li></ul> |
| Dimensions:      | 1600 x 70 x 50 mm                                                                                                |
| Guarantee:       | 2 years                                                                                                          |
