

Code: XB-LIMITED

## VEHICLE CAMERA **XB-LIMITED** Xblitz

Net: **31.00 EUR** Gross: **31.00 EUR**

The XB-LIMITED recorder is the mobile device designed to indoor using, which allows to recording the video sequences e.g. from moving car. With this recording you can greatly facilitate any investigation of guilt for various traffic incidents, as well as registered attempts to break or damage the vehicle in the parking lot.

Installation of the unit is very simple, and the positioning of the camera does not cause any problems.

The recording is automatically divided into sections with a length of 3, 5, 10 minutes. Currently recording section is protected against overwriting when it detects impact or hard braking by G-Sensor, or using the corresponding button. Memory card not included in the kit.
