

Code: LRS-100-24

## SWITCHING ADAPTER **LRS-100-24** MEAN WELL

Net: **17.61 EUR** Gross: **17.61 EUR**

Small sizes switching power supply adapter with one output.

Attention! If the power adaptor is using for continuous work (24H) the rated current of the adaptor should be less than 80% of the maximal current.

**Attention!** The -V terminals are physically shorted together, as are the +V terminals.

### SPECIFICATION

|                                      |                                                                                                          |
|--------------------------------------|----------------------------------------------------------------------------------------------------------|
| Adapter type:                        | Switching                                                                                                |
| Power voltage:                       | 85 ... 264 V AC                                                                                          |
| Operating frequency:                 | 47 ... 63 Hz                                                                                             |
| Output voltage:                      | 24 V DC                                                                                                  |
| Output voltage adjustment:           | 21.6 ... 28.8 V                                                                                          |
| Maximal load:                        | 4.5 A                                                                                                    |
| Output power:                        | 108 W                                                                                                    |
| Number of outputs:                   | 1 pcs                                                                                                    |
| Protections:                         | <ul style="list-style-type: none"><li>• Short-circuit</li><li>• Overload</li><li>• Overvoltage</li></ul> |
| Operation temp. / Relative humidity: | -30 °C ... 70 °C / 20 % ... 90 %                                                                         |
| Weight:                              | 0.31 kg                                                                                                  |
| Dimensions:                          | 129 x 97 x 30 mm                                                                                         |
| Manufacturer / Brand:                | MEAN WELL                                                                                                |
| Guarantee:                           | <b>3 years</b>                                                                                           |
