

Code: DS-2FSCH30

BATTERY **DS-2FSCH30** FOR THE DS-2XS6A87G1-L/C32S80 CAMERA 10.8 V  
Hikvision

Net: 1 039.15 EUR Gross: 1 039.15 EUR

Lithium battery designed to work with the DS-2XS6A87G1-L/C32S80 camera. The device meets the IP68 tightness class.

SPECIFICATION

|                           |                                                                                                                            |
|---------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Rated voltage:            | 10.8 V                                                                                                                     |
| Battery capacity:         | 30 Ah                                                                                                                      |
| Application:              | DS-2XS6A87G1-L/C32S80                                                                                                      |
| Maximal output current:   | 8 A                                                                                                                        |
| Battery charging voltage: | max. 12.6 V                                                                                                                |
| Main features:            | <ul style="list-style-type: none"><li>• Built-in MPPT batteries solar charge controller</li><li>• RS-485 control</li></ul> |
| Housing:                  | Aluminum                                                                                                                   |
| "Index of Protection":    | IP68                                                                                                                       |
| Color:                    | White                                                                                                                      |
| Type (size):              | 255 x 172 x 80 mm                                                                                                          |
| Weight:                   | 3.4 kg                                                                                                                     |
| Manufacturer / Brand:     | Hikvision                                                                                                                  |
| Guarantee:                | 2 years                                                                                                                    |
