

Code: U19-6U/340

MOUNT RACK FRAME **U19-6U/340**

The frame is intended for mounting RACK devices directly on wall.

Designed in 19" standard, it facilitates the installation of devices to which access doesn't have to be secured with server cabinets. Additionally, each handle features openings on the top and the bottom in 19" standard, allowing to install additional, smaller equipment. It is also possible to mount vertically to the wall.
