EMERGENCY LIGHTING PLAFOND **INKLO-98520** Intelight

The INKLO-98520 emergency plafond is perfect for lighting social rooms, offices, corridors, anterooms, halls, staircases and other rooms. Aesthetic body and matt lampshade made of durable plastic make the luminaire perfect for many interiors, providing eye-pleasing, even lighting. Thanks to the increased degree of protection (IP66) and mechanical strength class (IK10), the luminaire can be installed in places where there is a risk of lamp damage or where there is high dust and high humidity.

The lamp is equipped with a battery that allows it to maintain its operation for 2 hours after a power failure.
