

Code: HDMI-SW-3/1-V1.4B

SWITCH **HDMI-SW-3/1-V1.4B**

Switch allows to select one of the several signal sources and switch it to the output. The HDMI-SW-3/1-V1.4B has implemented an intelligent switching function, it means after connecting an active signal source switch it itself chooses, and after disconnecting an active source the switch itself will choose another source.
