

Code: OR-WAT-419

## POWER METER WITH LCD DISPLAY **OR-WAT-419** ORNO

The wattmeter allows you to check the electricity consumption and calculate the energy costs of the connected device. It has a large LCD display and simple configuration of the cost measurement setting.

|                                            |                                                                                                                                                                                                                                                                                                         |
