## CRIMP PLUG **SMA-W/ZAC.H-1000**

|                                   |                                                                                                          |
|-----------------------------------|----------------------------------------------------------------------------------------------------------|
| Connector type:                   | SMA plug Plug                                                                                            |
| Attachment of connector elements: | Crimping                                                                                                 |
| Shield fastening:                 | Crimping                                                                                                 |
| Wire mounting:                    | Soldering                                                                                                |
| Application:                      | Coaxial cable                                                                                            |
| Cable diameter:                   | max. 10.9 mm                                                                                             |
| Impedance:                        | 50 $\Omega$                                                                                              |
| Material:                         | Metal                                                                                                    |
| Example of application:           | <ul style="list-style-type: none"> <li>• TRI-LAN-400</li> <li>• H-1000</li> </ul>                        |
| Main features:                    | <ul style="list-style-type: none"> <li>• Wide frequency range</li> <li>• Corrosion resistance</li> </ul> |
| Weight:                           | 0.01 kg                                                                                                  |
| Guarantee:                        | 2 years                                                                                                  |
