

Code: MAGIC-BOX-100

## GELBOX JOINTING KIT **MAGIC-BOX-100** IP68 RayTech

Universal mounting kit, which allows the connection of electrical, telephone, signal, antenna cables, etc. in the IP68 waterproof class. The box is perfect to use in areas with high moisture and underground (for example in electrical garden installations). The box can be easily mounted in both a horizontal and vertical positions - there is no danger of flowing out the gel.

The gel used to seal is not harmful to humans, environmentally safe, and easily removable when it is necessary to modify the connection.
