

Code: IEC-G/IEC-G\*P10

## COUPLER **IEC-G/IEC-G\*P10**

|                 |                                                                                                                  |
|-----------------|------------------------------------------------------------------------------------------------------------------|
| In package:     | 10 pcs The price for package                                                                                     |
| Connector type: | Coupler IEC Socket / IEC Socket                                                                                  |
| Impedance:      | 75 $\Omega$                                                                                                      |
| Material:       | Metal                                                                                                            |
| Main features:  | <ul style="list-style-type: none"> <li>• Very easy and quick assembly</li> <li>• Corrosion resistance</li> </ul> |
| Weight:         | 0.005 kg                                                                                                         |
| Dimensions:     | $\varnothing$ 12 x 25 mm                                                                                         |
| Guarantee:      | 2 years                                                                                                          |
