

Code: POE-802.3AT/24

## STABILIZER 48V/12V **POE-802.3AT/24**

The POE-802.3AT/24 allows to supply the devices with DC 12V.  
Attention! If the power adaptor is using for continuous work (24H) the rated current of the adaptor should be less than 80% of the maximal current.  
Please pay attention for proper cooling conditions of the power adaptor during work!
